

Use this sheet to reflect on whether the CU receives support from churches or Cristian organisations. This will help you as you consider how to receive Church support for the activities and events of the Christian Union.

Does the CU have any contact with local Youth Leaders or Churches? If so, who?

What churches are represented by members of the CU?

Action

Collate information about local church Youth events and services. Create a flyer with this information available at the next CU meeting.

Make a list of the current prayer points that the CU has. Send these through to Darren at Wycombe Youth For Christ, and we have a dedicated Prayer Team who will pray for you.

Send prayer points to darren@wycombeyfc.org.uk and as often as you like - weekly, fortnightly or monthly. We'll make sure that people pray for you and the CU.
